EXPORT BRIEFS

The following trade items have been gathered from Agricultural Attache and other government reports as a service to U.S. exporters of food and agricultural products. In supplying the trade leads the Department of Agriculture does not guarantee reliability of the overseas inquirer. Your best source for further information on these trade leads is the listed foreign firm originating the inquiry. You may also contact the Export Promotion Division, FAS, (202) 447-7103.
